Plan Village Birthday 'Party'

The Nunda Sesquicentennial Planning Committee had a meeting on Jan. 25 in the Keshequa Central High School.

The committee has been meeting over the past few months in preparation for the 1989 events which will celebrate the Nunda village's 150th birthday.

During the January session,

committees were formed to deal with specific planning areas, such as fund-raising, publicity, calendar, a logo contest, and the birthday celebration itself.

At this time, general plans include a year-long celebration of the village's community spirit through the wide variety of events which enrich the village every year. These will become official Sesquicentennial Events, and lead up to a grand birthday party to be held in late September.

All the committees need members to help with the planning. It is hoped that local organizations which have not yet sent representatives, will do so for the meeting in the Village Building on Feb. 15 at 7 p.m.

Supervisor Reports Study Police Plan

At a Feb. 1 joint meeting of the Village and Town boards scheduled to transact Nunda Police Department business, a resolution was adopted authorizing the four police commissioners (two village, two town) to canvass the Civil Service list for a full-time police officer to be hired with the boards' approval if a qualified applicant is available.

Nine of the 10 board members were in attendance. The roll call vote was six to three in favor of the resolution. Currently, our police department, governed jointly by the village and town boards, operates with four part-time police officers. The resolution grants authority to the governing officers. The resolution grants authority to the governing body to hire a fulltime, 40-hour per week, qualified police officer for the Nunda Police Department under current budget appropriations.

The board members during the meeting also established certain stipulations and conditions of employment of a fulltime person such as salary, benefits, residence, schedule of work hours, chain of command, etc. Three community residents were in attendance during the meeting and provided numerous valid comments and suggestions on the various police department topics discussed.

As it stands now, as authorized at this meeting, a letter has been sent to the Livingston County Personnel Office requesting a list of qualified police officer applicants for the purpose of hiring a fulltime person. This list will be reviewed by the police commissioners with an eventual recommendation being forwarded to the joint boards for approval. The boards will reconvene at that time to make a decision. A public notice of this meeting will be published

at the appropriate time.

The previously announced Mar. 1, Town Planning Board meeting has been postponed due to some scheduling conflicts. The next scheduled meeting of this board is Tuesday, May 8. In the meantime, you may contact chairman Harry Zintel with appropriate planning board matters.

The next regular meeting of the Nunda Town Board is Monday, Mar. 14, beginning at 7:30 p.m. in the Town Hall.

Area Church Lists Adventure Program

Sunday-only Christianity will be set aside for 50 days this year when Adventurers from Hunt Baptist church invite "Christ to join them in their daily work."

Beginning Sunday, church members will join thousands of others across the country in a special spiritual adventure entitled, "50 Days for Christ to Transform My Daily Work."

Sponsored by the national radio broadcast, The Chapel of the Air, the Adventure is an annual event dedicated to helping participants experience rapid spiritual growth through a time of regular Bible study, prayer, and Christian outreach, said Rev. Bill Thompson, pastor of the Hunt Church.

As he explains, "Most people don't realize that Christ is just as comfortable in our workplaces as he is in the church. During His earthly ministry He didn't spend His time in the synagogue. He was involved in the everyday circumstances of people's lives—preaching to fishermen, calling a tax collector to work more honestly, and talking to a woman drawing water at the well. "So this year, for the seven weeks leading up to Easter, we're going to invite Christ to join us in our workplaces to transform our daily work—whether that be as a teacher, student, homemaker, in business, retired or even unemployed."

The Chapel of the Air broadcast is heard each Monday through Friday on WDCX Buffalo at 8:30 a.m. and over WJSL Houghton, at 7:45 a.m.

Nunda Rotarians Boost Polio Project

At a meeting Feb. 4 in Bill's Restaurant, Nunda Rotarians received the good news from Bob Weir that \$7,000 has been pledged, topping the goal of \$6,400 for the Polio Plus program of Rotary International.

On a worldwide basis, the goal is \$120 million to vaccinate the children of the world against polio.

Paul Cauvel, publicity chairman, reports that the Rotarians were entertained at the United Methodist and Trinity churches where Rotary met for dinner during the weeks Bill's Restaurant was closed. He also notes that the Rotarians "appreciate the hospitality and good service they have received at Bill's restaurant over the years."

Elementary School Policy is Changed

Mrs. Mary Jo McPhail, elementary principal, announced a new policy concerning early dismissal has been instituted at the school.

When parents or guardians come to school to pick up a student prior to the 2 to 2:10 p.m. dismissal time, they must report to the office first to sign the early dismissal register. They will then be given a green slip to present to the classroom teacher.

The purpose for this procedure is to provide knowledge of who is or who isn't in the building in case of an emergency. It also helps ensure that children are being dismissed into the care of appropriate adults, officials explain.

Social Worker Sets Keshequa Visits

Carl Christiansen, a clinical social worker for the Family Service in Rochester, is also working at Keshequa Central School.

On Tuesday and Thursdays, Christiansen is at Keshequa to provide individual, family, and group counseling to students and consultations to school staff and parents. The purpose of these services is to address personal and social pressures and to prevent drug abuse.

There is no personal charge for these services which are supported by funds from the State Departments of Substance Abuse Services and Keshequa Central School Districts.

"I fell in love with my wife all over again."

David and Nancy Sternoff have been married for 18 years.

"Nancy is terrific," David says. "I've always thought she looked great. But she's always been concerned about her weight. It made her unhappy."

"Then she joined Diet Center and lost 21 pounds. She's never been able to lose weight like this before and keep it off. "Now she's happy and I love it."

Whether you want to lose ten pounds or 100, call Diet Center today.
